SteriTraces®

With over 25 years of dental technology expertise, SteriTraces, now provided by Medicom, is a personalized solution backed by an unbeatable customer service.

Your expert
in sterilization
traceability.

Save up to  **80%** of time
on sterilization tracking.

Seamless Integration

- Compatible with all types of equipment and practice management systems
- Easy integration with smart equipment from companies such as 3M, SciCan, W&H - and more

Clear Traceability

- Unique label with Datamatrix code for each instrument package allows you to scan critical information into your patient files

Safe & Smart

- Systematic recording of all actions to create a complete sterilization record
- Complete and in-person training

Transforming compliance obligation to peace of mind.
